## REFLECTION ON ALL SAINTS SUNDAY

All Saints Sunday which we celebrate today has its roots in the early church's "Martyrs Day," attested to by a hymn written in 359 by St. Ephraim. It was called All Saints Day in the seventh century. A saint is someone who the church believes is in heaven with God. Wrongly, we often think saints are perfect, but in fact their greatest witness is how they coped with the ordinary difficulties of life and how they reflected in a variety of ways the love of God.

For most of us sanctity and martyrdom will not come in dramatic ways. The daily routine of looking after a sick child, spouse, or parent, of living with a mental, physical, emotional, or spiritual illness, the pain of being unemployed, or homeless, and the feeling that we are unlovable brings with it the reality of sharing in the lot of the martyrs and saints. May we have the grace to live a holy life that, in ordinary ways, demonstrates the extraordinary power of God working in us.

**2021 Anglicare WA Schools Christmas Appeal**

Every year Anglicare WA works with around 10,000 children across the state. Our frontline staff tell us that one of the things that families often struggle to afford when going through hard times is back to school supplies.

Not being able to send your child to school with the correct school supplies impacts not only their education but their confidence and dignity too. During this Christmas season we want to make sure as many of those children receive the back-to-school supplies they need, ready for the 2022 school year.

***St Christopher's Parish Council are pleased to support this appeal once again as part of our Christmas mission for 2021.***

**THANK YOU**

Reverend Dave and the Parish of Dianella thank you all for your attendance at his recent Commissioning Service, and for providing the service booklets. It meant a lot to Reverend Dave to have your support. For those unable to attend, a video of the service is now available at: <https://perthvideo.net/anglican-church>
